SOUNDS GOOD

Video: about WHD

A first-class speaker is like a first-class meal: high-quality ingredients, knowledge of the right production technique and some thorough sampling at the end. It's a real treat for your senses. Enjoy the moment. It's one you'll never forget.

WHD designs its speakers as carefully as a chef designs a gourmet menu. We only fit our products with selected components. We draw on our wealth of experience and passion to ensure the perfect

interplay of materials and technology. And to finish, we fine tune the result acoustically to make sure you can enjoy the highest-quality sound.

We're delighted to add the Qube XL to your Qube family. The latest streaming speaker from WHD is a real treat for the ears – via Bluetooth, Wi-Fi or a stereo system. Wherever and whenever you want it.

Make time for enjoyment.
